Commissioner:

This is a petition to the Commissioner to reset the mailing date for the Notification of Missing Requirements From June 5, 2006 to November 29, 2006.

The reason for the petition is that I, the responsible attorney for this case, nor anyone else in our firm ever received the Notification of Missing Requirements (allegedly mailed June 5, 2006) until November 29, 2006, when a mailed copy was received.

The evidence of not having received the Notification of Missing Requirements until the mailed copy was received on November 29, 2006, is set forth in the accompanying declarations of Marti Carrillo and Daniel G. Ferris.

As Daniel G. Ferris, the supervisor of the Christie, Parker & Hale docketing department, states in his declaration, he researched the docketing records of Christie, Parker & Hale for log entries for the subject application and did not find any indication of receipt of the Notification of Missing Requirements dated June 5, 2006 prior to receipt of the Notification of Missing Requirements on November 29, 2006.

Accordingly, it is requested that the Notification of Missing Requirements be reset with a mailed date of November 29, 2006, and that any extension fees and petition fees be waived.

The response to the Notification of Missing Requirements was filed by Express Mail on December 5, 2006, including the following:

**Application No. 10/566,144**

1. Transmittal Letter, PTO Form 1390 (copy attached).
2. An English translation of the application as filed, (the processing fee for the English translation was submitted along with the filing of the application);
3. The executed Declaration of the inventor, properly executed in compliance with 37 C.F.R. 1.497(a) and (b);
4. A Preliminary Amendment amending the Cross-Reference to Related Applications and claims for examination in this case;
5. A substitute Specification and Compare Copy;
6. A substitute Abstract;
7. Replacement Figures;
8. Information Disclosure Statement and Form PTO/SB/08A/B; and
9. Copy of the Notification of Missing Requirements.

Also enclosed is a copy of the Express Mail receipt noting the mailing on December 5, 2006.

It is requested that the extension fees be waived and that the mailing date for the Notice of Missing Requirements be reset to November 29, 2006

In the event there are any fees required, the Commissioner is hereby authorized to charge any fees under 37 CFR 1.16 and 1.17 which may be required by this paper to Deposit Account No. 03-1728. Please show our docket number with any charge or credit to our Deposit Account. **A copy of this letter is enclosed.**

Commissioner:

I, Daniel G. Ferris, declare as follows:

1. I am the Supervisor of the Docketing Department of Christie, Parker & Hale, LLP. I have been employed in this capacity for about the past 12 years.

2. In the regular course of business in my department, my department docketed all U.S. Patent and Trademark Office mail, on a daily basis, received by Christie, Parker & Hale, LLP. I have reviewed our log for entries relating to U.S. Application No. 10/566,144, and have confirmed that our office did not receive the Notification of Missing Requirements, dated June 5, 2006, until November 29, 2006. In support of this declaration, attached are the following documents:

a) A screen print of the Missing Requirements action from our firm's docketing records. The Commissioner's attention is drawn to the "Received" date, the "Created" date, and the "Remarks", all of which support our contention of late receipt of the action;

b) A copy of the prosecuting attorney's weekly calendar, which was printed on November 27, 2006, for due dates between December 4, 2006 and December 6, 2006. As can be seen, at the time the calendar was printed, no docket entry was entered for a response to a Notification of Missing Requirements which would have a due date of December 5, 2006; and,

**Application No. 10/566,144**

c) A copy of the Notification of Missing Parts, bearing a "Date Received" stamp of November 29, 2006.

In view of this evidence, applicant respectfully requests a waiver of the requirement under Rule 1.136 for fees for an extension of time to respond to the Notification of Missing Requirements dated June 5, 2006.

I declare under penalty of perjury that the foregoing is true and correct.
